REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance. The prior art made of record in the attached form PTO-892 considered to be pertinent to the submitted application.

Provided by the applicant references JP-2001-293630 and JP2000-156053 provide teaching that is very similar to the claimed structure of the feed drive having extension/contraction deforming part and a shear deforming part.

However, none of the prior art teaches or suggests the claimed structure in combination with:

- A sine wave drive voltages that respectively applied to extension/contraction deformation part and the shear deforming part, and the mean values of drive voltages applied to the extension/contraction deforming part and the shear deforming part are substantially zero

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rita Leykin whose telephone number is (571)272-2066. The examiner can normally be reached on Monday-Friday 8:00-4:30.
